

Austrian championship 2007

Dear Rafting and Sportfriends!

This year the official International Austrian Rafting Competition and part of the European Cup will take place on the river Salza in Styria at the weekend of 17.-20. Mai 2007. The event is an official competition of the Austrian Canoe Association OKV (Österreichischer Kanuverband). For the first time we organize beside the R4 championship additional R6 Race. Both competitions are part of the European cup 2007. The championship organisation Sportklub Wildalpen invites all Rafting friends to this event. The raft boots are provided by the organizer. More information will follow soon. For your questions, please contact us per e-mail.

Best regards

Bernhard Schnabl und DI Gerhard Enickl

SK Wildalpen
